INDEPENDENT AUDITORS' REPORT

Board of Directors
San Jose Clinic:

Report on the Financial Statements

We have audited the accompanying financial statements of San Jose Clinic (The Clinic), a nonprofit organization, which comprise the statements of financial position as of December 31, 2013 and 2012, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to The Clinic's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Clinic's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of San Jose Clinic as of December 31, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Note 1 - Description of Organization

San Jose Clinic (the Clinic) is a nonprofit organization rendering medical aid and services to indigent persons, regardless of their ability to pay. The mission of the Clinic is to provide quality healthcare and education to those with limited access to such services in an environment which respects the dignity of each person. The Clinic is an agency of the Archdiocese of Galveston-Houston (the Archdiocese). The Clinic is exempt from Federal income tax under Section 501(c)(3) of the Internal Revenue Code.

Note 2 - Summary of Significant Accounting Policies

Basis of presentation

The Clinic's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Under generally accepted accounting principles, the Clinic is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. Accordingly, net assets of the Clinic and changes therein are classified and reported as follows:

- Unrestricted - net assets that are not subjected to donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

- Temporarily restricted - net assets whose use by the Clinic is subject to donor imposed stipulations that can be fulfilled by action of the Clinic pursuant to those stipulations or that expire by the passage of time. Temporarily restricted net assets are available for specific Clinic operations and future Clinic capital improvements.

- Permanently restricted - net assets subject to donor imposed stipulations that assets be maintained permanently by the Clinic. Generally the donor of these assets permits the Clinic to use all or part of the investment income on these assets. The investment income from permanently restricted net assets is available for operations.

Support that is restricted by the donor and is to be used in future periods or for a specific purpose is reported as an increase in temporarily restricted or permanently restricted net assets in the reporting period in which the support is recognized. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Temporarily restricted contributions, the restrictions of which are met in the year the contribution is received, are reported as unrestricted support. United Way contributions are recorded as temporarily restricted contributions until the year they are to be utilized for operations. Expenses are generally reported as decreases in unrestricted net assets.

Note 2 - Summary of Significant Accounting Policies (Continued)

Recent Accounting Pronouncements

The Clinic has adopted all recently issued accounting pronouncements that were effective as of the date of these financial statements. The adoption of any accounting pronouncements not yet effective is not anticipated to have a material effect on the financial position or results of operations of the Clinic. The Clinic has not elected early implementation of any pronouncements.

Cash and Cash Equivalents

The Clinic considers all demand deposits, certificates of deposit, and highly liquid investments with maturity dates of less than three months at date of purchase, other than those held for long-term investment, to be cash equivalents.

Cash Equivalents Held for Long-Term Investments

The Clinic considers highly liquid investments with maturity dates of less than one year but more than three months at date of purchase to be cash held for long-term investments. Income earned on investments is recorded as unrestricted income unless the donor specifies otherwise.

Investments

Investments are recorded at fair value. Investment income is reported in the statement of activities and changes in net assets as an increase in unrestricted net assets unless the use of the income is limited by donor-imposed restrictions.

Contributions and Pledges Receivable

Contributions are recorded as revenue in the year they are received unless they contain a conditional promise to give. Conditional promises to give are recorded as revenue when the conditions on which they depend are substantially met. Pledges receivable that are expected to be collected within one year are recorded at net realizable value. Amounts that are expected to be collected in future years are discounted to estimate the present value of future cash flows, if material. Amortization of the discount is included in contribution revenue.

Property and Equipment

Property, equipment and leasehold improvements are recorded at cost if purchased or, if donated, at the approximate fair value at the date of donation. Fair values are determined by Clinic personnel familiar with the items donated. Depreciation and amortization is computed on the straight-line method over the estimated useful lives of the assets which range from 5 to 20 years or the life of the lease, if shorter. Maintenance and repairs are charged to expense while expenditures for improvements are capitalized.

Continued

Note 2 - Summary of Significant Accounting Policies (Continued)

Program Service Contributions

Program service contributions represent amounts contributed by patients based on services provided and the patients' ability to pay.

Contributions In-Kind

Contributed services are recognized as revenue if the services received create or enhance nonfinancial assets, require specialized skills provided by individuals possessing those skills, and typically need to be purchased if not provided by donation. Contributed services are recorded at the fair market value of the services provided. Contributed services that do not meet the above criteria are not recognized as revenues and are not reported in the accompanying financial statements.

Pharmaceutical Inventory

The Clinic maintains supplies of drugs, which are distributed to patients free of charge. The drug inventory is of nominal value to the Clinic and is, therefore, charged to expense when purchased.

Liability Insurance

The Clinic is a participant of the CHRISTUS Health Group Property and Liability Insurance Trust (the Trust) for professional and comprehensive general liability insurance for any employee or volunteer of the Clinic. The Clinic would have contributed approximately $21,600 per year for both 2013 and 2012 as a participant of the Trust; however, during 2013 and 2012, the Trust waived the fee.

Income Taxes

The Clinic is a nonprofit corporation and is exempt from Federal income taxes on related income under Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3).

Accounting principles generally accepted in the United States of America require the Clinic's management to evaluate tax positions taken by the Clinic and recognize a tax liability (or asset) if the Clinic has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the Clinic and has concluded that as of December 31, 2013, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure within the financial statements. The Clinic is subject to audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 2 - Summary of Significant Accounting Policies (Continued)

Functional Allocation of Expenses

The costs of providing the program and supporting services have been summarized on a functional basis in the statement of activities and changes in net assets. The majority of expenses can generally be directly identified with the program or supporting services to which they relate and are charged accordingly. Other expenses have been allocated among the program and supporting services benefited based on square footage of office space occupied, salaries and other basis determined by the management of the Clinic.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts in the Clinic's financial statements and accompanying notes. Actual results could differ from those estimates.

Reclassifications

Certain amounts in the 2012 financial statements have been reclassified to conform with the current year presentation.

Note 6 - Property and Equipment

Property and equipment consisted of the following at December 31:

	2013	2012
Furniture, fixtures and equipment	$ 558,105	$ 572,809
Leasehold improvements	63,500	63,500

Less: accumulated depreciation and amortization	(471,475)	(463,086)
Property and equipment, net	$ 150,130	$ 173,223

Depreciation and amortization expense amounted to $39,742 and $40,184 in 2013 and 2012, respectively.

Note 7 - Fair Value of Financial Instruments

The Clinic's financial instruments are recorded at fair value. In accordance with accounting principles generally accepted in the United States of America, "fair value" is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The three-tier hierarchy of inputs is summarized in the three broad levels listed below:

Level 1 - quoted prices in active markets for identical investments.

Level 2 - other significant observable inputs (including quoted prices for similar investments in active markets or in markets not considered to be active).

Level 3 - significant unobservable inputs (including the Clinic's own assumptions in determining fair value of investments).

Note 7 - Fair Value of Financial Instruments (Continued)

Financial instruments measured at fair value on a recurring basis at December 31, 2013 are as follows:

	Level 1	Level 2	Level 3	Total
Certificates of deposit	$ -	$ 69,129	$ -	$ 69,129
Money market fund	182,091	-	-	182,091
Total assets	$ 182,091	$ 69,129	$ -	$ 251,220

Financial instruments measured at fair value on a recurring basis at December 31, 2012 are as follows:

	Level 1	Level 2	Level 3	Total
Certificates of deposit	$ -	$ 130,847	$ -	$ 130,847
Money market fund	1,936	-	-	1,936
Total assets	$ 1,936	$ 130,847	$ -	$ 132,783

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2013 and 2012.

Certificates of deposit are stated at their approximate fair value because of the short maturities of those investments. Money market accounts are valued at year end cost which approximates market value. Mutual fund accounts are actively traded and are valued at fair market value.

The inputs or methodology used to measure investments are not necessarily indicative of the risk of investing in a particular security. Investments are exposed to various risks such as interest rate, market and credit risks. Because of these risks, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position and statement of activities.

Note 8 - Compensated Absences

Employees earn annual vacation leave monthly and are allowed to accrue up to 64 vacation hours. Accrued vacation hours are payable upon termination. The Clinic had accrued approximately $39,000 and $37,000 at December 31, 2013 and 2012, respectively, related to earned vacation.

The estimated fair rental value of $969,680 has been recorded as contributions in-kind and as occupancy expense for the years ended December 31, 2013 and 2012.

The Clinic receives donations of vaccines, medication and other clinical supplies. These items are valued at the estimated fair value as determined by a third-party. For the years ended December 31, 2013 and 2012, the Clinic received donations of these supplies amounting to $2,897,478 and $2,718,801, respectively.

Note 15 - Net Assets Released From Restrictions

During the years ended December 31, 2013 and 2012, temporarily restricted net assets of $1,644,812 and $1,341,383, respectively, were released from donor restrictions by satisfying donor restrictions.

Note 16 - Permanently Restricted Endowment Funds

The Clinic has a donor-restricted endowment fund for operations which is maintained in accordance with explicit donor stipulations. The Board of Directors of the Clinic has interpreted the Texas Uniform Prudent Management of Institutional Funds Act (TUPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Clinic classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, and (b) the original value of subsequent gifts to the permanent endowment. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Clinic in a manner consistent with the standard of prudence prescribed by TUPMIFA.

Continued

Note 16 - Permanently Restricted Endowment Funds (Continued)

In accordance with TUPMIFA, the Clinic considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purpose of the Clinic and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Clinic
- The investment policies of the Clinic

Endowment funds are maintained in an investment account which is managed by an independent financial firm that follows guidance provided in an investment policy approved by the Board of Directors. The Clinic has adopted investment policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or TUPMIFA requires the Clinic to retain as a fund of perpetual duration.

Endowment funds by net asset classification are as follows:

	2013	2012
Permanently restricted net assets	$ 69,867	$ 69,867

Note 17 - Risk and Concentrations

As of December 31, 2013, the Houston Endowment's pledge makes up approximately 11% of total pledges receivable. As of December 31, 2012, the Houston Endowment's pledge makes up approximately 18% of total pledges receivable.

Note 18 - Credit Risk

The Clinic maintains its cash balances in a financial institution where at times, the Clinic's bank deposits in the financial institution exceed the prevailing federally insured limit per depositor per banking institution. The risk is mitigated by the financial strength of the financial institution where the deposits are held.

Note 19 - Subsequent Events

Management has evaluated subsequent events through June 27, 2014, the date which the financial statements were available to be issued. Management has determined that there are no other subsequent events requiring disclosure in the financial statements.

Reasonable Cause Statement

Form 990, Return of Organization Exempt from Income Tax For the Tax Year Ended December 31, 2013

A. Introduction

San Jose Clinic (the "Corporation") submits this Reasonable Cause Statement in connection with its filing of the attached Form 990, Return of Organization Exempt from Income Tax ("Form 990"), for the tax year ended December 31, 2013.

The Corporation is filing the attached Form 990, along with Forms 990 for the tax years ended December 31, 2011 and December 31, 2012 under separate cover, in accordance with the provisions of Section 5.01(5) of Revenue Procedure 2014-11. Section 5.01(5) of Revenue Procedure 2014-11 requires an organization seeking retroactive reinstatement of its status as an organization exempt from tax under section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), to file properly completed and executed paper Forms 990 for all taxable years in the consecutive three-year period for which the organization failed to file Forms 990.[1]

As is detailed below, the Corporation is and has been at all relevant times an "integrated auxiliary" of the Archdiocese of Galveston-Houston (EIN 76-6018777) as such term is defined under section 6033(a)(3)(A)(i) of the Code and the Treasury Regulations promulgated thereunder. As such, the Corporation was not, and is not, required to file Forms 990. Although the Corporation was not, and is not, required to file Forms 990 because it has been an integrated auxiliary of the Archdiocese of Galveston-Houston at all relevant times, the Corporation nevertheless files the attached completed and executed Form 990 for the taxable year ended December 31, 2013 in accordance with the provisions of Section 5.01(5) of Revenue Procedure 2014-11.

The Corporation notified the Internal Revenue Service (the "IRS") of its status as an integrated auxiliary of the Archdiocese of Galveston-Houston in that certain Response Form dated and sent to the IRS on December 7, 2012 (the "Response Form"), a copy of which is attached hereto. However, no response from the IRS to that submission was ever received. A Notice, dated August 18, 2014, stating that the Corporation's status as an organization described in section 501(c)(3) of the Code had been automatically revoked was the next communication from the IRS received by the Corporation.

Accordingly, the Corporation submits this Reasonable Cause Statement to establish that it exercised ordinary business care and prudence in determining and attempting to comply with its reporting requirements under section 6033 of the Code.

[1] Also as required under Revenue Procedure 2014-11, the Corporation has filed Form 1023, Application for Recognition of Exemption under Section 501(c)(3) of the Internal Revenue Code, under separate cover.

Reasonable Cause Statement

Form 990, Return of Organization Exempt from Income Tax For the Tax Year Ended December 31, 2013

A. Introduction

San Jose Clinic (the "Corporation") submits this Reasonable Cause Statement in connection with its filing of the attached Form 990, Return of Organization Exempt from Income Tax ("Form 990"), for the tax year ended December 31, 2013.

The Corporation is filing the attached Form 990, along with Forms 990 for the tax years ended December 31, 2011 and December 31, 2012 under separate cover, in accordance with the provisions of Section 5.01(5) of Revenue Procedure 2014-11. Section 5.01(5) of Revenue Procedure 2014-11 requires an organization seeking retroactive reinstatement of its status as an organization exempt from tax under section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), to file properly completed and executed paper Forms 990 for all taxable years in the consecutive three-year period for which the organization failed to file Forms 990.[1]

As is detailed below, the Corporation is and has been at all relevant times an "integrated auxiliary" of the Archdiocese of Galveston-Houston (EIN 76-6018777) as such term is defined under section 6033(a)(3)(A)(i) of the Code and the Treasury Regulations promulgated thereunder. As such, the Corporation was not, and is not, required to file Forms 990. Although the Corporation was not, and is not, required to file Forms 990 because it has been an integrated auxiliary of the Archdiocese of Galveston-Houston at all relevant times, the Corporation nevertheless files the attached completed and executed Form 990 for the taxable year ended December 31, 2013 in accordance with the provisions of Section 5.01(5) of Revenue Procedure 2014-11.

The Corporation notified the Internal Revenue Service (the "IRS") of its status as an integrated auxiliary of the Archdiocese of Galveston-Houston in that certain Response Form dated and sent to the IRS on December 7, 2012 (the "Response Form"), a copy of which is attached hereto. However, no response from the IRS to that submission was ever received. A Notice, dated August 18, 2014, stating that the Corporation's status as an organization described in section 501(c)(3) of the Code had been automatically revoked was the next communication from the IRS received by the Corporation.

Accordingly, the Corporation submits this Reasonable Cause Statement to establish that it exercised ordinary business care and prudence in determining and attempting to comply with its reporting requirements under section 6033 of the Code.

---

[1] Also as required under Revenue Procedure 2014-11, the Corporation has filed Form 1023, Application for Recognition of Exemption under Section 501(c)(3) of the Internal Revenue Code, under separate cover.

B. General Facts and Relevant Authorities

For over 90 years, the Corporation has been a provider of free healthcare services for indigent individuals and families across Southeast Texas who struggle with accessing medical and dental care. Specifically, the Corporation provides primary and specialty medical and dental care for individuals who are uninsured and whose income is at or below 250 percent of the Federal Poverty Level. Fifty-three percent of the Corporation's patients live at or below 100 percent of the Federal Poverty Level. The Corporation does not charge for its services. Patients are made aware that donations can be made and the Corporation has a sliding scale based on Federal Poverty Guidelines with suggested donation amounts. However, such contributions are completely voluntary and the Corporation does not refuse care to those who are unable to contribute. In fact, patients who can pay for their services, because they do not meet the Corporation's eligibility guidelines or because they qualify for a government insurance program (*e.g.*, Medicaid), are referred to other service providers for care. Because the Corporation offers free healthcare to indigent persons, many of its volunteer health professionals, board members, officers, employees, and independent contractors are deemed to be employees of the Public Health Service for purposes of the Federal Tort Claims Act medical malpractice liability coverage. The Corporation's broad scope of services are available to individuals of all ages, denominations, race, ethnicity, and gender, without geographic restrictions.

The Corporation's success in helping the poor and underserved of Southeast Texas is only made possible through the determination and hard work of generous benefactors from the community and the inspiring commitment of physicians and professional volunteers who selflessly give their time and talent to care for and educate the patients and families who receive the services offered through the Corporation. In fact, each year over 90 percent of the Corporation's funding comes from the generosity of donors who make charitable contributions.

The Corporation is a non-profit corporation incorporated under the laws of the State of Texas, the activities of which are exclusively charitable within the meaning of section 501(c)(3) of the Code.[2] Specifically, the Corporation's Articles of Incorporation provide that the "Corporation is organized exclusively for charitable, religious and educational healthcare purposes, including specifically to provide support to charitable, religious and educational healthcare undertakings and to establish, own and operate charitable, religious and educational healthcare institutions..."

The Corporation meets the organizational test set forth in section 1.501(c)(3)-1(b) of the Treasury Regulations inasmuch as its Articles of Incorporation limit the purposes for which it may operate to one or more exempt purposes and do not expressly empower the Corporation to engage in activities that do not further exempt purposes. Pursuant to its Articles of Incorporation, the Corporation is not expressly empowered to devote more than an insubstantial part of its activities to lobbying or to engage in any political activities. Upon its dissolution, the Corporation's assets will be distributed exclusively to one or more organizations described in section 501(c)(3) of the Code.

[2] The Corporation's Articles of Incorporation are attached hereto.

The Corporation also meets the operational tests set forth in section 1.501(c)(3)-1(c) of the Treasury Regulations. As noted, the Corporation's activities consist exclusively of activities for charitable, religious and educational healthcare purposes, which are all within the meaning of section 501(c)(3) of the Code. None of the Corporation's earnings and assets inure to the benefit of any private individual. The Corporation's Articles of Incorporation forbid the Corporation from undertaking any activity that results in the private inurement or more than an incidental amount of private benefit. Finally, the Corporation undertakes no lobbying or political activities and, thus, is not an "action organization," within the meaning of section 1.501(c)(3)-1(c)(3) of the Treasury Regulations. As such, the Corporation qualifies as an organization described in section 501(c)(3) of the Code.

In addition to qualifying as an organization described in section 501(c)(3) of the Code, the Corporation also qualifies as a public charity under section 509(a)(1) of the Code. Specifically, the Corporation is an organization described in section 170(c)(2) of the Code which normally receives a substantial part of its support (exclusive of income received in the exercise or performance by the Corporation of its charitable, educational, or other purpose or function constituting the basis for its exemption under section 501(a) of the Code) from direct or indirect contributions from the general public.

Finally, the Corporation is and has at all relevant times qualified as an integrated auxiliary of the Archdiocese of Galveston-Houston. Under section 6033(a)(3)(A)(i) of the Code, integrated auxiliaries of churches are mandatorily excepted from filing Forms 990. Moreover, under section 508(c)(1), integrated auxiliaries of churches are mandatorily excepted from the requirement to file an application for status under section 501(c)(3) of the Code to obtain such status.

Under section 1.6033-2(h)(1) of the Treasury Regulations, an "integrated auxiliary of a church" means an organization that is (i) described in both section 501(c)(3) of the Code and sections 509(a)(1), (2), or (3) of the Code, (ii) affiliated with a church or a convention or association of churches, and (iii) internally supported. The Corporation meets all three of these requirements, and is therefore an integrated auxiliary of the Archdiocese of Galveston-Houston not required to file Forms 990.

First, as demonstrated above the Corporation qualifies as both an organization described in section 501(c)(3) of the Code and as a public charity under section 509(a)(1) of the Code.

Second, the Corporation is affiliated with a church or a convention or association of churches; specifically the Archdiocese of Galveston-Houston. Under section 1.6033-2(h)(2) of the Treasury Regulations, an organization is affiliated with a church or a convention or association of churches if, *inter alia*, the organization is covered by a group exemption letter issued under applicable administrative procedures. At all times relevant to the period covered by the Notice automatically revoking the Corporation's status as an organization described in section 501(c)(3) of the Code, the Corporation was covered by the group determination letter issued to the United States Conference of Catholic Bishops as evidenced by the Corporation's continuous listing in the Official Catholic Directory ("OCD"). Copies of the Corporation's listing in the OCD for the years ended December 31, 2011, 2012, 2013, and 2014 are attached.

Third, the Corporation is "internally supported" as defined under the Treasury Regulations. Under section 1.6033-2(h)(4) of the Treasury Regulations, an organization is internally supported unless it both (i) offers admissions, goods, services or facilities for sale, other than on an incidental basis, to the general public *(except goods, services, or facilities sold at a nominal charge or for an insubstantial portion of the cost)*; and (ii) normally receives more than 50 percent of its support from a combination of governmental sources, public solicitation of contributions, and receipts from the sale of admissions, goods, performance of services, or furnishing of facilities in activities that are not unrelated trades or businesses. While the Corporation does offer healthcare services to the general public, it does so at no charge and never refuses care for those who cannot pay. Even if patient contributions are treated as payments for services, the Corporation has collected less than 10 percent of its expenses incurred in providing healthcare for the last five years from patients.[3] Accordingly, the Corporation is internally supported within the meaning of the applicable Treasury Regulations.

C. <u>The Corporation's Failure to File a 2013 Form 990 Was Due to Reasonable Cause</u>

In light of the general facts and the relevant authorities as described above, the Corporation has demonstrated that it exercised ordinary business care and prudence in determining and attempting to comply with its reporting requirements under section 6033 of the Code. Specifically, the Corporation is and has been at all relevant times an integrated auxiliary of the Archdiocese of Galveston-Houston, and is therefore excepted from filing Forms 990. Moreover, the Corporation notified the IRS of its status as an integrated auxiliary of the Archdiocese of Galveston-Houston by providing the IRS with the Response Form. Accordingly, the Corporation respectfully requests that the IRS find that the Corporation's failure to file a 2013 Form 990 was due to reasonable cause.

[3] In 2009, the Corporation had expenses related to providing healthcare of $6,052,987, yet only received $373,078 in contributions from patients In 2010, the Corporation had expenses related to providing healthcare of $6,942,817, yet only received $320,782 in contributions from patients. In 2011, the Corporation had expenses related to providing healthcare of $7,064,103, yet only received $543,909 in contributions from patients In 2012, the Corporation had expenses related to providing healthcare of $7,309,878, yet only received $619,473 in contributions from patients Finally, in 2013, the Corporation had expenses related to providing healthcare of $7,695,162, yet only received $710,893 in contributions from patients.

ARTICLE X

In the event of the dissolution of this corporation, its assets and properties shall first be used to pay all existing debts, obligations and liabilities of the corporation. Any remaining assets shall be distributed exclusively to any one or more charitable organizations as described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (or corresponding provisions of any subsequent federal tax laws), selected by the member.

ARTICLE XI

A director of the corporation shall not be liable to the corporation or its member for monetary damages for an act or omission in the director's capacity as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its member, (ii) for acts or omissions not in good faith that constitute a breach of duty of the director to the corporation or which involve intentional misconduct or a knowing violation of law, (iii) for any transaction from which the director received an improper benefit, whether or not the benefit resulted from an action taken within the scope of the director's office, or (iv) for acts or omissions for which the liability of a director is expressly provided by applicable statute. If either the Texas Non-Profit Corporation Act, the Texas Miscellaneous Corporation Laws Act, or any other applicable Texas statute hereafter is amended to authorize the further elimination or limitation of the liability of directors, then the liability of a director of the corporation, in addition to the limitation on liability provided herein, shall be limited to the fullest extent permitted by such amended act. Any repeal or modification of this ARTICLE XI shall be prospective only, and shall not adversely affect any limitation on the liability of a director of the corporation existing at the time of such repeal or modification.
